

Career Legacy Exercise

Step 1: Set the Scene

Imagine your retirement party. Where are you? Who is present? Visualize the colleagues, mentors, family, and friends who have been part of your career journey. What important roles did you play in your career such that these people showed up?

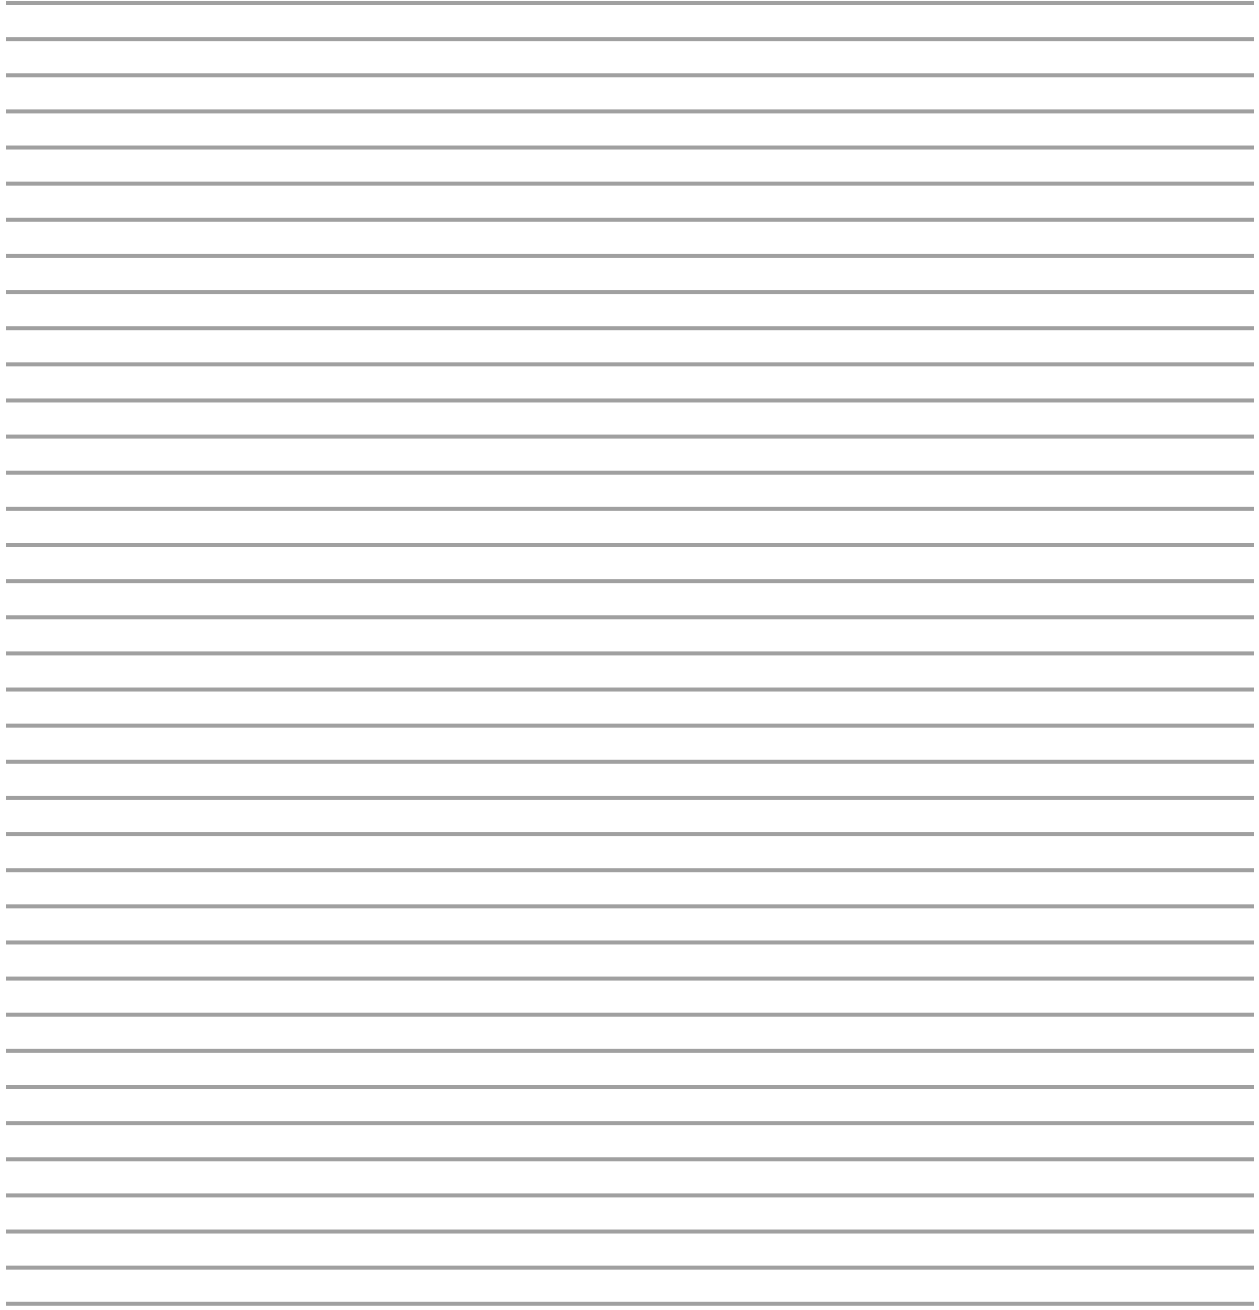

[illegible]

Step 2: Articulate Your Major Achievements

Reflect on the achievements you want to be celebrated. What major goals did you accomplish? What projects or initiatives are you most proud of?

[illegible]

Step 3: Clarify Your Values

Tie the reflections from steps 1 to 5 together to write your own speech. If you had 10-15 minutes to speak about your career, what would you say?
